**MOTION TO REDUCE SENTENCE**

Defendant, Jerome Lassiter, hereby moves this Court for a reduction in his sentence. In support whereof, defendant states that the recent revisions to § 2D1.1 of the United States Sentencing Guidelines, concerning offense levels based on amounts of crack cocaine involved in an offense, reduce the recommended guidelines range for the defendant. On December 11, 2007, the Sentencing Commission, pursuant to its authority under 18 U.S.C. § 3582(c)(2), made these revisions retroactive. *See* 73 Fed. Reg. 217-01 (2008). Accordingly, a reduction in sentence is within the discretion of this Court and in the interests of justice, and should be issued promptly.
